The MASTERS Program
Early College Charter High School

Parent/Guardian Participation Agreement

The MASTERS Program (TMP) is an early college high school that provides students the experience of attending college while taking ownership of their individualized education. TMP's educational philosophy and curricular approach provides a seamless educational continuum that benefits students as they move from high school to post-secondary education. Being housed at a community college provides students with an environment that fosters a sense of responsibility while providing rich academic opportunities. Our students have the unique opportunity to be better prepared for college, understand the demands of college. Graduate high school with college credits
and have access to an expanded set of curricular offerings.

Because TMP is a charter school, families have a *choice* to attend our school. Choosing TMP means families agree to take responsibility at an entirely different level as opposed to a traditional high school setting.

Please review and understand the following:

1. I understand TMP is located on a college campus (SFCC), an open campus. My son/daughter will be in a community where there are non-high school aged students.
2. My son/daughter and I know where the SFCC Campus Security Office is located.
3. I agree that my son/daughter and I will abide by all TMP AND SFCC policies and procedures; these may be found in the TMP Community handbook on our website. Additional policies are found in the SFCC Student handbook and the SFCC code of conduct found on their website.
4. I agree to monitor and be responsible for my son/daughter's transportation needs.
5. I understand that consistent and on-time attendance is necessary for success in school and the workforce. I will ensure my son/daughter is on time and present unless they are ill or have an emergency.
6. I will ensure my child brings their fully charged personal or school issued laptop to school each day.
